imagine
the possibilities

your style

No matter your style, you've come to the right place. Your Mendota gas fireplace insert can be designed to your exacting standards by completely customizing it to fit perfectly with your vision. Set the mood of the room by enhancing what's already there or what you may add to accentuate your fireplace. Paint colors to complement the metal finish of the front. Artwork or design elements that work together with your choice of logs. It's not just a fireplace. It's a showcase of your style.

your fire

The realism of the flames will have you staring in awe of the beauty. It's what sets Mendota gas fireplace inserts above all others. As the embers glow, the flames roll naturally through and around the beautiful logs. Sit back and enjoy the roaring fire on a crisp winter night or set the mood with more soothing flames. Bring the warmth of memories with fire as art. Only from Mendota.

authenticity redefined

It's all about the fire—the authenticity, beauty and warmth.

Mendota's "FireIn" technology wraps the logs around the burner.

Artfully arranged logs reach for the sky and Mendota's signature glowing embers and hand-painted, high-definition oak and birch logs set the mood and bring the magic.
